Profile

As a soon-to-be graduate in computer science engineering with a background in web development, I am eager to begin my career as a software developer. Through my internship experience and college projects, I have developed expertise in full-stack web development using technologies such as ReactJS, NodeJS, and ExpressJs, and MongoDB, PostgreSQL. I possess a strong understanding of software development principles and have a passion for problem-solving and learning new technologies.

Education and Skills

Education: B.Tech (CSE) IEC College Of Engineering & Technology, Gr. Noida *2023* | **Class 12th** - *(2019)* | **Class 10th** – *(2017)*
